Florida Virtual School (FLVS) Full Time is a fully accredited Kindergarten through 12th grade online public school that is tuition-free and open to all Florida students.

Our elementary, middle, and high school offers:

- Flexible scheduling and the ability to learn online from any location 24/7
- Courses taught by Florida-certified teachers who provide personalized instruction and 1:1 support
- Student clubs, activities, events, and field trips
- A full-time course load, 180-day school year, and state testing, the same as traditional public school
- A state of Florida diploma for graduating seniors
